Miller Incentives

Motivated staff and satisfied customers are the most valuable assets of any company. Especially for these target groups, we have created inspiring and unique incentives and team events in the magnificent three-country region of Germany, Austria and Switzerland. We offer thirty years of experience in organizing unique custom-designed travel packages and planning original travel incentives.

Take advantage of our location!

We are located in the southernmost region of Germany, very close to the border with Austria and Switzerland. This three-country region offers access to a wide range of travel possibilities and rich cultural activities. In the heart of the region lies Lake Constance, surrounded by impressive mountain peaks, Alpine glaciers, romantic

castles, traditional towns and modern cities such as Munich, Zurich, Salzburg, Innsbruck, Freiburg, Basel and Strasbourg. An ideal location for your unique incentive travel - organized by your competent local partner!

Culinary highlights & accommodations

The region offers some of the best culinary experiences, ranging from traditional regional specialties to award-winning restaurants with internationally renowned cuisine.

Your accommodations options include everything from rustic mountain cabins to a 5-star Alpine spa resort. Or perhaps reward your employees with an unforgettable night in Germany's highest igloos - set high above the clouds, amidst sparkling snow?
